## Departure Prices from southern California

Drive trips originate from Los Angeles (El Segundo), and will pick up participants at points en route to the destination. Air trips leave from any of the airports listed below and include airfare, except as noted. Due to time zone differences some East coast trips may require an air arrival the day prior at an additional charge, or may involve night flights. **If you live in northern California please request that price list.**

Air prices are from Los Angeles. For air departures from Ontario, Santa Ana (Orange County,) and San Diego add \$30. For air departures from Bakersfield, Burbank, or San Luis Obispo add \$50. Call for prices from other southern California airports. Air add-ons from these cities may not be available for every tour. If the price says "+ air" these air add-ons do not apply.
