Travel Account Application

Don't know which Search Beyond Adventures tour you want? Need to "spend down" or "save up" for that special vacation? Just complete this application and send a minimum of \$100 to start a travel account. You can add any amount to this travel account anytime you want. Many people use this to purchase a tour in advance and make regular additional payments so their vacation is completely paid in time. Your funds will be on account with us until you pick a tour. When you pick a specific tour let us know and we will apply 100% of the funds to that tour.

If you later cancel your account and want your funds refunded, there is a \$50 cancellation fee. Of course, the cancellation fee does not apply if you choose a tour that costs less than your account balance and you request a refund of the difference.
